

BAOBAB OIL

Product Code : 7429

Organic Baobab Oil from African Essentials is a precious oil extracted from the seeds of the baobab's fruit by a small, women-owned workshop in Senegal. Rich in Omega 6 and 9 essential fatty acids, sterols and tocopherols, baobab oil presents a fluid texture that allows it to very efficiently penetrate the skin. These characteristics make this oil very soft, non fatty and very beneficial for the skin and hair.
